Indonesia Travel - Nusa Lembongan Island

Nusa Lembongan was one of the small islands from the row of three islands that were located on the south-east of Bali, Indonesia, namely Nusa Penida, Nusa Ceningan and Nusa Lembongan. Nusa Lembongan Island was best from the two other islands. This island including the Klungkung Regency territory and the location was separated by the Badung Strait from the Bali Island.

Although only a small island, Nusa Lembongan could serve various sorts of recreation facilities. In the island that almost side by side with Nusa Penida and Nusa Ceningan we will be welcomed the white sand coast with clear sea and various kinds the colored fish as well as the beautiful and multicolored coral reef.

Nusa Lembongan tourist attraction. The condition for the environment that still beautiful as well as was equipped by several facilities, was ready to spoil tourists to enjoy beauty of this island. Like the hotel, bungalow, the restaurant, the place of the performance of art, until the sea tourist attraction to dive and witness beauty of the coral reef inside.

There were several public location points that could be visited in Nusa Lembongan, like the settlement of the inhabitants and the diligence market. There were also several sub-areas that were available in Nusa Lembongan. In Nusa Lembongan also was gotten the settlement of the place of the cultivation of seaweed. Most inhabitants in Nusa Lembongan were the seaweed farmer. So when we visited Nusa Lembongan Island, tourists will see plenty of seaweed that was put in the sun to dry. Moreover, the island that was occupied by approximately 4,000 souls, had the tourist attraction that was famous that is followed Goa Gala.

Nusa Lembongan Island also was popular enough for the surfer. For the divers, coral reef scenery around the Nusa Lembongan Island is very beautiful. Tourists also could do snorkeling and diving here. Was available also various equipment to carry out the activity snorkeling and diving or dove that could in rent.

To arrive at here, tourists could use the motorboat from the Sanur Coast around 2 sailing hours towards Jungutbatu in Nusa Lembongan. The other alternative that is from the Benoa Port around 1.5 trip hours. From the Benoa Port headed the Nusa Lembongan tour region that currently becomes the Balinese mainstay, there was two ships went for a trip that was ready delivered that is Bounty Cruises and Bali Hai Cruises that departed from the Pontoon.

Further to explore the Nusa Lembongan Island through the land trip could use by car facilities. Land transport facilities could have in this island been said was good enough because of the running to have been asphalted. While the trip followed the Nusa Lembongan Island, tourists could see the inhabitant's local houses and the place of the meeting hall in this island. Not rare also had foreign tourists who drove the motorcycle to explore this island. Tourists could lease the motorcycle and the bicycle in Jungkutbatu for the trip surrounded and followed the Nusa Lembongan Island.
